Agreement and Signature

By submitting this application, I confirm that I will be participating as a vendor at FULDA GAP 2011. North Carolina Department of Revenue requires collection of sales tax (8%) on retail items sold within the boundaries of the state. If you are an out-of-state vendor, you are responsibly for reporting your sales and use to your appropriate state's Department of Revenue.

Command Decisions Wargames Center (CDWC) shall not be liable or otherwise responsible for any damage to, loss, or theft of property within the vending space and shall not be liable or otherwise responsible for any personal injury to the vendor or vendor's representatives, agents, employees, business invitees, visitors or guests, unless such damage, loss, theft, or personal injury was proximately caused by the gross negligence by CDWC agents.

Vendors must abide by all field rules and local, state, and federal laws at all times. Vendors understand the rules and no tolerance policy related to our "family friendly" policy. No distasteful, offensive, or illegal behavior will be tolerated.
