Fulda Gap 2010 Vendor Information

Date of Event: Friday, November 5 through Sunday, November 7, 2010

To our perspective and/or participating vendors:

First and foremost, we would like to thank each of you for your interest in supporting and attending our FULDA GAP 2010! Our primary goal is to make this a successful event for all of us and to make this event easy for you to attend, show product and make money! In 2008, we topped 600 players and in 2009, we had 974 players. This year, we expect 1200 and already, the interest for this year's game is intense. This game will be one of the most publicized events of the year, as reporters for the big paintball news venues will be in attendance (Action Pursuit, Paintball Junkie, PB3X, Paintball Sports), player forums are already supporting the event (MilSimEmpire, X-7/A-5/M-98 Owners Group, Tango Alpha 2), and the event will receive local and regional press coverage as well – you cannot BEAT the potential for marketing your company name at FULDA GAP 2010. As a bonus, you will also meet some of the nicest folks in paintball who we are proud to have adopted as our family.

Your attendance at this event is by select invitation only. We have asked you to come because we believe in your business and want to help get your name out in this community, free of any vendor fees. The only thing we will request is that you donate a prize to our multiple player raffles. We ask that the prize(s) be worth \$150 RETAIL and of course, the more you donate the more publicity we can give your company.

Our event website is up and running with revisions being made constantly. Please feel free to visit it at www.fuldagap.com. Once we have confirmed confirmation on your participation and completion of the vendor application (attached), we will add you as a link on the vendor webpage. Please make sure to get us a copy of your business logo/image so that we can get you added to the website! Any correspondence you need to make with us is best suited to go to info@fuldagap.com. You may also contact Lee Ann Ferguson, Business Manager, directly at (828) 320-5238 if you have any questions or concerns.

I have listed below the field schedule for the weekend's activities. We do not require you to be in the vending area at any particular or set times. We do recommend that you are at the field at some point Thursday evening or Friday morning to get set up before the majority of players show up. Most of our players will be camping on the field, so you would be best advised to make yourself conveniently available to help them invest their money in your company!

As we get closer to the close of registration (October 31) and we have a better idea of the total number of players, we will be orchestrating a welcome dinner for Friday evening for the vendors and players. If you would like to help sponsor the player's dinner, please let us know what you would like to contribute.

We have a limited area of space for vending and, due to the amount of interest we already have received, we will ask you to specify your booth size requirements so that we can make a space modeled for your needs. Vendor space is on a first come, first assigned basis. DO NOT HESITATE to get in on this event. You are advised to bring some type of canopy system in case of rain and you are welcome to camp behind your booths as long as space is available. We will have 24 hour security during the weekend. Most vendors have simply "tarp wrapped" their booths at night and have been fine.

Here is the field schedule as we have it so far – this is subject to minor changes as the game continues to develop:

Fulda Gap Field Schedule

Friday, Nov 5	Saturday, Nov 6	Sunday, Nov 7
12 noon – registration opens to pre-registered players	7-8am – breakfast	7-8am Breakfast
	8am – Store opens	8am – Store opens
